College What It Was Is
College is about much more than just course work. A campus is its own world, and students have the chance to experience a wide range of activities. For example, college students may be able to: Publish newspapers. Create TV and radio broadcasts. Run their own government. Stage performances. Play sports.

Attending College: What It's All About and Why It Matters
"An intelligent, nonbombastic look at the state of higher education, College is a hugely useful primer for present and future faculty members, and their students. It should be read by every provost and dean, and by anyone responsible for maintaining a flourishing democracy.

Delbanco, A.: College: What It Was, Is, and Should Be ...
one standard measure of college quality, may actually have an inverse relation to faculty engagement in teaching—since the best- paid professors are likely to be at research universities, where undergraduate teaching tends to be a sideline activity. Yet we use the terms “college” and “university” interchangeably.

College: What It Was, Is, and Should Be, Updated edition ...
College: What it Was, Is, and Should Be. As the commercialization of American higher education accelerates, more and more students are coming to college with the narrow aim of obtaining a preprofessional credential. The traditional four-year college experience--an exploratory time for students to discover their passions and test ideas...

College: What it Was, Is, and Should Be by Andrew Delbanco
Secondary education. In some national education systems, secondary schools may be called "colleges" or have "college" as part of their title. In Australia the term "college" is applied to any private or independent (non-government) primary and, especially, secondary school as distinct from a state school.

College - Wikipedia
College: What It Was, Is, And Should Be was the 2013 recipient of the UPCEA Phillip E. Frandson Award for Literature in the Field of Professional, Continuing, and Online Education. Andrew Delbanco has written a small book that deserves to be widely read.

College: What It Was, Is, and Should Be gives a clear picture of all the forces, both within and outside the university, working against the liberal arts. Weekly Standard - Joseph Epstein
College: What It Was, Is, and Should Be|Paperback
Many college students today, of whom a growing number are older than traditional college age, attend commuter or online institutions focused mainly on vocational training. Often, they work and go to school at the same time, and take more than four years to complete their degree, if they complete it at all.

Andrew Delbanco Asks, What Is College For? | Columbia ...
Some universities retained "College" in the overall institution's name, e.g. the College of William & Mary. All these factors would have further entrenched "college" as the generic term for that phase of education, regardless of whether it is undertaken at a university, college, institution, academy, conservatory, polytechnic institute, and so on.

"In college" versus "at college" versus "at university"

The United States offers many types of postsecondary education. One type of note, once unique to the United States but becoming known and established in other countries, is the community college. Community colleges, sometimes called junior colleges, are two-year schools that provide affordable postsecondary education as a pathway to a four-year degree.
